A landmark since 1896, Deerhurst Resort shares a setting that inspired the Group of Seven, Canada's best known painters. In the late 1980's the Deerhurst stage inspired another emerging artist, superstar Shania Twain. Today the resort that introduced championship golf to Muskoka stays ahead of the curve as a founding member of the Savour Muskoka culinary trail and host of the Canadian National Pond Hockey Championships. How will Deerhurst inspire you?
