### ON COURSE

#### Deerhurst Highlands

Par 72, 7,011 yards, 136 slope

Design: Robert Cupp, Thomas McBroom

The forerunner of Muskoka’s emergence as a major North American golf destination and one of Canada’s top-ranked courses, Deerhurst Highlands flows through rugged terrain flanked by maple, oak and pine. Distinctive granite outcroppings accent a demanding layout that breaks from the wilderness into a series of links-style holes. Also features a complete practice facility.

#### Deerhurst Lakeside

Par 64, 4,596 yards, 112 slope

Redesign: Thomas McBroom

Wrapped around Peninsula Lake, Deerhurst Lakeside offers a compact yet challenging game for both avid and novice players. Its charming layout rolls throughout the resort, with deep bunkers, undulating greens and tight fairways, testing every club in your bag.

## GET A HANDLE ON IT

### On Time: Shotgun Starts

Planning a successful golf event shouldn't make you feel like you're under the gun. That's why our golf team is here to sort out what works for you, like a modified **shotgun start for groups over 32 players**. That way, all your attendees start, and finish, playing at the same time and your agenda stays on track.

### Off to a Great Start

We'll start a great day with **smooth, stress-free registration**. This is the place to think about doing a "golfers' survival kit" as a gift bag – bottled water, a snack, golf balls and tees, sunscreen or bug spray and a shirt or jacket. For one-stop-shopping our Pro Shops can provide all of these items with savings of up to 35 percent off retail.

## CLINICS & ACADEMY

### Cool Clinics

At Deerhurst, more and more corporate events include a group warm-up at the Golf Academy. A clinic makes an effective tune-up and an excellent icebreaker for new teams or attendees from far-flung offices that seldom have the chance to get together.

One popular format is a **Walk the Line** where instructors walk the range as players practice, sharing customized tips with each.

If your group is largely new to golf, consider a **Golf 101** session with etiquette, rules and swing techniques plus golf stretches and warm-up exercises. Or if time is really tight, how about a clinic and cocktails **Tee Party** with 45-minutes on the range followed by a reception hour?

## SPECIAL COMPETITIONS

Add fun, interest and suspense to a golf tournament, or even tie in your meeting theme with special on-course competitions. Award prizes for the longest drive or closest drive to the pin and add a hole-in-one competition with a significant cash, merchandise, vacation or gift certificate prize. With tongue in cheek you could also consider giving gag prizes for the most improved novice, the shortest drive or "most honest" last-place foursome. We can give a **new spin to any golf outing**.

### Staying on the Ball: We'll Help

More things to think over, and ask us about, when planning your golf event:

- Full service scoring & presentation packages
- Sponsorship strategies
- Swing analysis video or framed photos of each foursome
- Hole events like Beat the Pro (or CEO), other contests, or a beverage sampling
- Tournament prizes
- Signage & banners
- Room drops or pillow gifts, like a sleeve of golf balls, a shirt or hat
