FOOD & BEVERAGE

Menus

Deerhurst Resort reserves the right to supply all food and beverage served within the resort with the exception of wedding cakes. Your Event Planner will assist you with creating a beautiful wedding menu and exceeding your guest's expectations.

Deerhurst Resort hosts wedding ceremonies accompanied by a food and beverage component.

As your event will be held in a private function room one menu for the entire group must be selected for the event. An exception is the Chef's Signature Dinner Menu where a selection of entrées may be offered to your guests. However, should any guest require a special menu or have allergies we would be more than happy to create a specific menu at no additional cost, provided advance notice is given.

Menus and wine selections must be confirmed within 30 days prior to your wedding day.

Once your final menu and beverage requirements have been confirmed, your Event Planner will prepare an estimate for your wedding. These amounts will be based on historical information and industry guidelines. For your budgeting purposes please anticipate the following:

- ❖ One bottle of wine (750 ml) serves 5 glasses
- ❖ One bottle of sparkling wine or champagne serves 6 champagne flutes
- ❖ Estimate a minimum of half a bottle of wine per person for dinner
- ❖ Estimate a minimum for 3-5 pieces of hors d'oeuvres per person, based on a one hour reception before the main meal
- ❖ Estimate two drinks per person for the first hour of a reception, then one drink for each following hour

Cake Service

Service of your wedding cake as a dessert with coffee and tea is \$3.50 per person. Should you wish to self-serve the cake, there would be a flat charge of \$75.00 to cut and tray the cake.

Confirmation of Numbers

The final number of persons attending your functions is required 72 hours in advance. If actual numbers are greater than guaranteed or originally contracted, the higher number will be billed.

Event space is assigned according to the number of persons guaranteed to attend. Deerhurst Resort reserves the right to reassign the space to accommodate all other groups or parties who are using the Resort's facilities during the wedding dates. Two (2) hours is allocated for set up before the function start times; if additional time or space is required, rental fees may apply.
